

# Insurance that's a cut above

*Business*

Butchers of Australia, we salute you! What would Aussie life be without you? No sausage sizzle. No beers around the barbie. No family roast on a Sunday. It hardly bears thinking about...

We want to protect you and help your business thrive. But we recognise that you've got enough on your plate without trying to get your head around the ins and outs of insurance policies, too.

To make your insurance decision easier, AMIC Victoria has partnered with Arthur J. Gallagher insurance brokers to provide members with access to a new, cost-effective insurance solution: SmartProtect | Business.

Designed specifically to address a range of risks and challenges that keep small business owners awake at night, SmartProtect includes comprehensive cover for loss of stock and contents; business income protection; machinery breakdown; theft; public liability; and much more.

In short, SmartProtect is insurance designed to really respond when the going gets tough – and it's exclusively available through Arthur J. Gallagher.

## Want to know more?

Contact Oliver Stankovski AMIC Member Services Manager (Victoria) on 03 9699 2760 or 0437 757 005. For more details visit [www.ajg.com.au/amicvic](http://www.ajg.com.au/amicvic)

*AMIC VIC will receive a referral commission for all SmartProtect | Business policies our members place with AJG, helping us to continue representing members' interests and providing opportunities to support and grow members' businesses. For more information about this partnership, contact AMIC's Member Services Manager (Victoria), Oliver Stankovski, on 03 9699 2760.*
