

# AMIST Superannuation

**The Australian Meat Industry Superannuation Trust (AMIST) is the major meat industry superannuation fund in Australia.**

AMIST has been established for employees of the meat industry to provide benefits for members of the Superannuation Fund and their dependants. Membership is only open to employees of employers already participating in AMIST.

## **AMIST services offered include:**

- Retirement benefits
- Choice of level of insurance cover
- Full portability of benefits
- Professional investment
- Other financial services

## **Key member benefits are:**

- Low fees
- Solid investment returns
- Member investment choice
- Value for money Life Insurance cover

More information can be found in the AMIST Member Booklet, or you can contact AMIST directly.
