

Christmas Savings Club Card

Show Your Customers You Care About Them

How it Works

The Christmas Savings Club Card is based on inviting your customers to save up for extra meat purchases for the festive season of Christmas and New Year. AMIC will provide you with a free A4 poster to advertise the Christmas Savings Club Card to your customers. Once they join the Club, you can hand them a Club Card (produced by AMIC) to keep a tally of their savings. Each week or month, whenever your customer decides to put money aside, they will be able to see the total savings they are making. When Christmas comes, they will be able to spend all the saved money at your store.
