

# EFTPOS DEAL

Commonwealth Bank is pleased to offer AMIC members special pricing for their credit card and debit card facilities.

## Tap into faster sales with Contactless

Successful retailing is all about making it easy for your customers to spend their money with you. And now there's a new way to do it. Contactless payment systems are a simple and effective way for you to handle more customers in less time. For purchases of \$100 or less, customers don't need to swipe their cards, provide signatures or enter PINs – they just tap their MasterCard® *PayPass*™ or Visa *payWave* card against the contactless reader at the checkout, and they are ready to go.

### Easy to use and install

All you need is a contactless reader that plugs straight into your Commonwealth Bank Ingenico 5110 terminal. There is no additional charge to upgrade to contactless so if you would like to tap into faster sales then please contact 1800 230 177.
