The 2009 National Sausage King Competition

The Tradition Continues

The National Sausage King was held in Adelaide on Saturday 7 February. The 26 State Sausage Kings assembled on an extremely hot and windy morning at Carnivale, the Italian Festival at Goyder Pavilion, to determine

who would be the National Sausage Kings for 2009.

At the Awards dinner it was revealed that Western Australia had been the most successful state with two National Sausage Kings and two third placings. Queensland also had two National Sausage Kings and a second. Victoria provided the other National Sausage King.

It was an extremely hot day when the state Sausage Kings assembled for the contest to determine the National winners. In a very close competition the quality of the sausages was apparent. The judges conferred on many of the technical issues and, at the end of the day, the winners were determined.
